Sidlaw Festivals October competition was to be Auntie Marions comp in Dundee, she had planned to have a Special Hornpipe called 'The Silvery Tay' because of covid restrictions back in 2023 Auntie Marion made the decision to have the first October competition in Kelty as everything was in place from our first event earlier in the year. Unfortunately, as many are aware, Auntie Marion passed away suddenly the week before her first October comp. We have now made the decision to have 'The Silvery Tay' in her memory from now on at this event in Kelty.
